## 2020 ANNUAL MEETING MINUTES

(2020 Survey Results & Newsletter Replacing 2020 Annual Meeting Minutes)

Because of the COVID-19 pandemic, the CLBA Board of Directors made the decision to cancel the 2020 Annual Meeting in June for the safety of all CLBA members. Since the CLBA Bylaws require an Annual Meeting, but did not make provisions for pandemics, the CLBA Board decided to handle some of the Annual Meeting priorities via a mailing to all Clear Lake Property owners. The mailing included a copy of the CLBA newsletter (with the 2019-2020 financial report) and a survey form that could be returned along with a member's 2020 CLBA dues.

Here is a summary of the results of the questions asked on the survey form:

Sandi Jaspers and Mark Luitjens were declared elected to three-year terms on the CLBA Board of Directors. The board continued to update members via the CLBASD Community Group Facebook page throughout the year.
